Let's move forward on the banner with their edits.

EPA is working closely with first responders and coordinating with local and state officials to ensure the safety of people impacted by water contaminated as a result of the spill.

Update to language from OGC

We want to use "people" going forward rather than "citizens" because all the humans in the area may not be citizens. Otherwise, see below. GTG?

Need to have this approved for EPA homepage banner test.

EPA is working closely with first responders and coordinating with local and state officials to ensure the safety of citizens impacted by water contaminated as a result of the spill.
